TELEPHONE OR VERBAL CONVERSATION RECORD

Subject of Conversation		Date
STATINTL	STATINTL	15 Oct 64

Person Calling	Of	Telephone Number

Information or Action Sought

STATINTL 1. Informed [redacted] that two pasons from here would attend microdensitometry demonstration at their plant on 20 Oct. 64. ([redacted] STATINTL

2. Asked him for proposal to modify 621 Comparator-Universal viewing & higher magnification & increased light source, He will report to [redacted] STATINTL Two methods available - one & easiest to perform increases resolution somewhat but not compatable with the 880. The other is a similar system as on the 880. Asked

Information Given or Action Taken

him to send both down. Also, instrument will be sent up to them for mods to be applied. Complete check-out & refurbishing will be necessary before sending it back, & include this in cost quote.
